Siloam Church Cemetery Contributed by : Jan Gregory Willis

Directions to Cemetery: Follow Directions to Jason Gregory Cemetery. But, do not stop at the 1st bend in the road. Continue to the right to the 2nd bend. In the 2nd bend stands a house. The cemetery is about 400 yards behind the house near the site of an old tobacco barn. If the barn is now gone, the best signal may be a wooded area with large Camelia bushes and White cedars. The area is surrounded by an old wire fence. Most of the fence is now about ground level. Use caution.

(Jason Gregory Family Cemetery. Directions to Cemetery: From Highway 90 turn West on Hwy 274 (Bostick Road). Pass the concrete plant. Take a right on Harbin Road. The small road makes a 90 degree turn. The cemetery is in a patch of dense trees at about 2 o'clock on a private farm.
