In Reply to: My Blankenships by Clay Blankenship

I can trace my line of Blankenships back to John William Blankenship, b 6may1832 probably in Butler Co., AL. His son William M. Blankenship b 29Aug1852 in AL and most of the other sons and daughters moved to Nacogdoches Co, TX in about 1870. I can give you this line on to the present (me). Do you have any info on the Blankenships in Alabama? Thanks, Bill Blankenship
