On his #yrs married, 40 has been scratched out, 12 written in to agree with the 12 on her column, but 40 is more likely correct. I suspect what has happened is that the 12 and 11 on her line were miscopied by a clerk and the 12 should be in the "# children born" column (not in the "years married" column) and the 11 should be in the "# children living" column. (We know of these 6 children, plus at least Mary Emma, John L, Rosa Vernon, Ella Frances.) No guess as to how the 5 got in there.

NOT PROVEN that this draft card is for the same person, but it looks very likely. Charlie B who married Mattie/Martha L was born Jul 1874 (see 1900). Farmer and minister? Mattie died 1912 and C B married Vinie/Vonnie Davis, who appears to be same as Lucy M Davis. There is still a problem in that the last three children's names in 1910 do not match those of 1920, but their ages are very close. (See the other Charlie B 1920.) Lucy M(elvina) is apparently the same as Vinie/Vonnie in 1912, and the next of kin in 1918 was **Lucy M**. See Mt Pleasant Baptist Church Cemetery, 4 mi. south of Enterprise: Thurman, **Martha L**, 13 Feb 1873 - 2 May 1912 wife of **Rev C B Powell**.
