## Escambia, Santa Rosa, Walton and Okaloosa Counties, Florida Census Extract

This is not a comprehensive extract of all Powells in the area. It includes only those who appear to be connected with Powell families from relevant counties in southeast Alabama.

Okaloosa County was formed from eastern Santa Rosa and western Walton in 1915.

William Jackson Powell (see pension appl.) was probably son of Coleman, but no real proof.

1870 US Census, Walton County, Florida, no date, no PO, classified as Ucheeanna ("Boggy Bayou" written vertically on side of page), pg 807B, #292/292:

Powell, William (J)	35 farmer	Al	Prob. abt 30; Pension appl. says b. Dec 1840

\*There was an **Eliza Crowder**, age 10, in household of Joseph and Elizabeth Crowder, Walton 1850.

These were the only Powells indexed in Walton Co 1870.

1850 US Census, Butler County, Alabama, 21 Oct 1850, Beat #3, pg 197A, #287/287:

Coleman Powell	35 farmer	Ga	Looks like same person. Not found 1860.
Sarah	30	Ga	Good match for wife Sarah Browder, m. 1839 Pike.
<b>William</b>	<b>10</b>	Al	Good match for William Jackson.
Riley	8	Al	Is this James Riley Powell, b. Pike Co?
Samuel	6	Al	
Mary	4	Al

Note: Butler County adjoined Pike until Crenshaw was formed in Nov 1866.

John B Cravy performed the marriage of William Jackson Powell and Sarah E Adams on 24 Nov 1863 in Halley's Ferry, **Covington County**.

There was another William Jackson Powell of the same age in the area. See **Stephen and Elizabeth Powell**, 1850-1860 Covington Co, Alabama for details. It seems more likely that the one in Walton Co is son of Coleman from Pike and Butler.

## Escambia, Santa Rosa, Walton and Okaloosa Counties, Florida Census Extract

This is not a comprehensive extract of all Powells in the area. It includes only those who appear to be connected with Powell families from relevant counties in southeast Alabama.

Okaloosa County was formed from eastern Santa Rosa and western Walton in 1915.

This entry for 1900 is confusing because it carries over two pages that were incorrectly numbered and separated from each other. Marantha is on the last line on pg 132A, sheet #3/16 A. Clerical notation over her name indicates that she is person 1 of an 11-person household, but the following page starts with two Houston children and Louise D Houston, mother to head of household. Marantha's children are found at top of pg 133A, sheet 4/17 A, and are adjacent Frank and Gussie Powell at #415/415. William and Dora are the last entry at the bottom of this page. When the dwelling numbers were resequenced, someone made a mistake and got the pages out of order.
