## *Generation No. 1*

1. ALICE C<sup>1</sup> POWELL<sup>1</sup> was born 16 Feb 1828 in Georgia<sup>2,3</sup>, and died 21 Jan 1914<sup>3</sup>. She married KINEON E WHITE 22 May 1850 in Troy, Pike County, Alabama<sup>4,5</sup>. He was born Bet. 1829 - 1831 in Alabama<sup>6,7,8</sup>, and died 12 Oct 1881 in Mary Esther, Santa Rosa County, Florida<sup>9</sup>.

Notes for ALICE C POWELL:

Possible but NOT PROVEN that she is dau of Daniel and Sarah Powell. She went to West Florida about the same time they did and in 1860 was adjacent George and Daniel Powell who appear to be sons of Daniel. Daniel had a female in his household in 1840 the right age for Alice. She had a nephew, Asa M Powell, who appears to be son of Jacob M who may also be a son of Daniel's, but *that is not proven, either*.

Her birthplace is uncertain. Three census records have her b. Ga: 1860, 1880 and 1910, but 1850 has SC, 1870 has Al and 1900 has Fl.

25 Nov 2006: I spoke on the phone with Mary (last name unknown), a granddaughter of John W (Judge) White (b. abt 1865), son of Alice Powell White. I was referred to her by Doris Buffum of W Fl Gen Soc and Butler Co Rootsweb mailing list. Mary is no longer an active researcher. She had not identified any of Alice's family. Her mother had told Mary that she had uncles Tiney and Toby, John White's daughter Minnie married Travis Powell, and Alice's daughter Emma married Ephraim Neil in Santa Rosa Co, 17 Apr 1877. (I have not identified Toby. Travis Powell was from Mobile County, Alabama, and his father and grandfather were born in Mississippi. I have not found any connection between them and the SE Alabama Powells.)

Notes on Kimmons family and Powells from Butler County, Alabama, to Bluff Springs, Santa Rosa County, Florida:

. . . I know that William Mitchell is buried in Santa Rosa County by his second wife Mary Leggett Kimmons. I have not found a tombstone for Martha. I don't know if he took her back to Alabama to bury her. It is her family that eludes me. Family lore tells that she was born in Butler County, Alabama. My greatgrandfather James L Kimmons son of James Monroe Kimmons and ( Marthas grandson ) was born in Butler Co. as well as my grandmother Lola Kimmons, Martha's great-granddaughter. The Powells of Butler County are also kin to me but this family eludes me as well. James L. Kimmons born in Greenville, married Mae Powell. Her parents, William S. (*wrm note: Wilson, son of Richard*) and Mathilda Powell were also from Greenville but moved to Bluff Springs, Florida. James and Mae moved back to Greenville and that is where my grandmother was born in 1896.

Subject: [ALBUTLER] Kimmons Williams

. . . It is not the Kimmons family that I am having trouble finding out information on, it's the Williams And Powell Families that I need help with..

James Monroe Kimmons is not buried alone in Gravel Hill Cemetery. He is with the Powell Family.

Next to him is Minnie Powell Kirk born April 1889 and her husband Strader Kirk. Minnie was the baby sister of Mae Powell ( my g-grandmother ). The other Powells are Mae's family. Brother Clarence, sister-in-law Beulah Doud Powell, and thier children Robert and Willie S. Powell ( named for Mae's father ).

All that I have on these Powells is that they lived, died and was buried in Butler Co. I have seen the Powell name come up on the Butler List many times and I am in some way connected to them. My g-grandfathers brother Alford Kimmons is buried along with his whole family in the Magnolia Cemetery. My cousin Ada Stephens Brown who grew up in Georgiana ( and is still living ) has given me what information that I have on the Powells. Alfred was married to Maes sister. The Kimmons brothers married the Powell sisters. . .

NOT PROVEN!, that she is dau of Daniel and Sarah Powell, but she went to West Florida about the same time they did and in 1860 was adjacent George and Daniel Powell who appear to be sons of Daniel. Daniel had a female in his household in 1840 the right age for Alice. She had a nephew, Asa M Powell, who is probably son of Jacob M who may also be a son of Daniel's, but that is not proven, either.
