Descendants of Isaac Powell

Children of ISAAC POWELL and MARY UNKNOWN are:

2. i. JOHN A² POWELL, b. May 1844, Alabama; d. 29 Nov 1902, Geneva County, Alabama.
- ii. ELIZA E POWELL, b. Abt. 1849, Alabama³.
- iii. REBECCA L POWELL, b. Abt. 1854, Alabama³.

Generation No. 2

2. JOHN A² POWELL (ISAAC¹) was born May 1844 in Alabama^{4,5,6}, and died 29 Nov 1902 in Geneva County, Alabama⁷. He married ELIZA ANN BAILEY^{8,9} 15 Feb 1865 in Coffee County, Alabama¹⁰, daughter of ASA BAILEY. She was born 22 May 1844 in Coffee County, Alabama^{11,12,13}, and died Aft. Jan 1920¹⁴.

Notes for JOHN A POWELL:

NOT PROVEN! that this John A is same as son of Isaac, but it looks likely, judging from census. *Using this as a working theory.*

See note under son James M that says John A came to Dale Co, Al, from NC, but I have no record of them in Dale County. In 1850 Pike Co, there was a Jacob M Powell, age 28, NC, and Mary (28, NC), who *also had a son John, b. c1845*; also dau Ann, 9, and Jane, 2. They were 9 entries away from the Lucinda Soles who married Stephen P Powell, son of George C and Orphie. There is a Jacob M Powell and wife M A in Butler County 1860 who look very much like this same family except that the third child's initials do not match Jane, but ages are all good.

Was Isaac a brother of William L who was father to William Leonard and Marimon (Merriman?) Isaac?

There is a Worldconnect database at <http://worldconnect.rootsweb.com/cgi-bin/igm.cgi?op=GET&db=barbaramn&id=I1061> which claims Eliza's husband is son of Jessie Tucker Powell of Coosa County, Alabama. When I inquired as to evidence, none was available.

Hi Bob, I want to really thank you for that information, a cousin that is with the genealogical society told me that she thought they married in Walton County, and then another cousin researching on another line found her name and she's the daughter of John Powell and Eliza ?. He was born 1844 and she's born around that era. That Eliza (I was told Annie Eliza by my grandfather) that you found in the marriage records had the same birthyear this cousin connected with. I want to thank you for telling me that before I found this information. However, do you have anything on John and Eliza Powell if they possibly married in Walton County? I am thinking it has to be before 1867, when their oldest daughter, Mary, was born.
