Notes for ROBERT B (PODE) MURPHY:

Childrens' names, dates and spouses names supplied by Annie Belle Murphy Phillips, 11 Nov 1985. According to Annie Belle, her mother's brother John Frank Vickery married Minnie Murphy, Chuck's daughter.

Listed as Robb, age 10, on 1900 census. Also called Bob, Rob or B.B. Tombstone has: Bob B Murphy. Family mostly remember him as 'Pode'. No one knows where nickname came from. Pode was a good musician, a banjo player, according to daughter Annie Belle. She said his brother Pete played fiddle and cousin Emmett also played banjo.

Bertie's birthday is not consistent with age given on 1930 census. She was listed as 37, and her birthday was June 30, 1893, but the census date was as of 1 April. She should not be 37 until end of June.

Notes for ANNIE BELLE MURPHY:

Annie Belle provided most of the information on her family when I met her in Nov 1985. Her age on marriage license was 20; his was 19.

Annie Belle listed her grandfather's siblings as Chuck, Doc, Betty and Florence and another girl. She said Emmett spent ten years in jail for killing her grandfather John Murphy. She said Emmett's father might have been Thompson, but at any rate, after Bett separated from him, she had several other children.
